

Deer Park Junior High School

410 East Ninth Street
Deer Park, Texas 77536
(832)-668-7500

Dear Potential Sponsors,

DPISD is a very compassionate district and is very involved in helping our community and students. This year, three very special people that go to school in our district have been diagnosed with cancer, and we need to show them that they are not alone. If teachers and students alike work together to gather money for them and their families, then we can truly help them out!

The Caring Community is a Big Red elective at DPJH. The Big Red program is open to students in advanced curriculums who may choose a new class every six weeks. However for the next twelve weeks, students in the Big Red program have chosen Caring Community, a dedicated group of eleven 8th grade students that wish to help others as much as possible. This year, the Caring Community is putting together a Benefit Concert called The Paige Project '18, dedicated to a strong girl named Paige Lejeune who started it all. She has since passed, but her brave and caring spirit carries on through this annual beneficiary activity dedicated to those struck by cancer. Her brother, Jeremy Lejeune, still attends class at DPJH and is not afraid to tell her story.

The Paige Project '18 will take place on May 22nd and all proceeds will go to three other brave students courageously battling cancer. Sydney Jones, a student in 11th grade at DPISD's South Campus, has been diagnosed with Stage 4 Non-Hodgkin's T cell Acute Lymphoblastic Lymphoma. Makkenzee Flores, a fifth-grader at Deepwater Elementary, has been diagnosed with Leukemia. Hunter Williams is a sophomore at South Campus and he has very recently been diagnosed with Ewing Sarcoma, a bone cancer that usually shows up in adolescents. These strong students are in the fight of their lives.

It is very important to us to help these kids. Cancer will not only affect Hunter, Sydney, and Makkenzee, but also their friends and families. The Caring Community from Deer Park Junior High is very concerned in getting as many people to do anything in their power to join us in the fight against cancer. Hunter, Makkenzee, and Sydney need us now more than ever. To help, you could donate to our very own Go Fund Me page listed below. You could also follow us on social media which are also listed below, or just attend The Paige Project '18 at the Performing Arts Center at DPHS-South Campus on May 22nd. We also will be hosting a McPeck Silent Auction and hold a concession stand. Any items that you wish to donate would be greatly appreciated, such as food for the concession stand and/or items to auction off.

Thank you for your time and support!

Sincerely,

Liz Willms
